CONFERENCE PROFILE – 600 WORDS

Nordic Life Science Days – What's in it for you?

Nordic Life Science Days is the largest Nordic partnering conference for the global Life Science industry.

Bringing together the best talents in Life Science, offering amazing networking and partnering opportunities, providing inputs and content on the most recent trends.

Nordic Life Science Days attracts leading decision makers from the Life Science sector, not only from biotech, pharma and medtech but also from finances, research, policy and regulatory authorities.

Based on cutting-edge and advanced partnering and networking tools, Nordic Life Science Days showcases the best the Nordic region has to offer.

The Nordic way of doing life science business

NLSDays offers networking and knowledge for anyone interested in the Nordic life science, biotechnologies, pharmaceuticals, medical devices and e-health business. We offer plenty of opportunities to connect.

Meetings on your terms

Every meeting is an opportunity. At NLSDays, we focus on meeting quality, not quantity. We provide ample time for you to meet your fellow delegates in a stress-free environment.

The Nordic region is proud to host some of the world's most innovative biotech, medtech and pharma companies. It also has the 12th strongest economy, making it the perfect place to invest. Set in the vibrant Malmö-Copenhagen region, in the heart of the Medicon Valley, the conference offers conference super sessions, seminars, company presentations, exhibition, face-to-face meetings and unique receptions, providing so many opportunities to network with peers, potential partners and investors.

The 2019 conference design will feature a new exhibition layout creating more interactions with the exhibitors, an enriched program featuring 6 Super Sessions, 6 topical seminars, academic and startup contests, innovative 6mn and 12mn company presentations bringing more value to the presenters and the audience, new partnering areas allowing more comfort and privacy, extended informal networking opportunities.

NLSDays 2019 will take place in Malmö on September 10-12.

CONFERENCE PROFILE – 600 WORDS

Based on attendance at previous events, NLSDays 2019 expecting 1300+ international delegates.

Highlights from NLSDays 2018:

1200+ Participants
40 Countries
2800+ Scheduled Meetings

Partnering at NLSDays is powered by One-on-One the leading BIO conference solution for helping Life Science delegates meet efficiently and effectively. One-on-One has the unique ability to manage the complex interactions among thousands of executives from many different companies.

This sophisticated web-based partnering system enables delegates to screen potential partners, pre-arrange meetings and manage the entire conference partnering process. Delegates can log in and connect with the conference community, anytime, anywhere.

NLSDays is a SwedenBIO event.
