Nordic life science partnering at its best

Nordic Life Science Days including the 1st Nordic Life Science Investment Day is the largest Nordic partnering conference for the global Life Science industry.

Bringing together the best talents in Life Science, offering amazing networking and partnering opportunities, providing inputs and content on the most recent trends.

Nordic Life Science Days attracts leading decision makers from the Life Science sector, not only from biotech, pharma and healthtech but also from finances, research, policy and regulatory authorities.

Based on cutting-edge and advanced partnering and networking tools, Nordic Life Science Days showcases the best the Nordic region has to offer.
