## Find Your Investor and Your Next Investment at NLSInvest!

NLSInvest is the investment track of the NLSDays conference. 40 Top Nordic Health & Life Science Companies are selected to join NLSDays to pitch investors, hold 1:1 partnering meetings, and compete for the NLSDays Awards Grand Prize. Investors: we are curating a private, investor-only reception just for you. Come, network & partner, and then invest in the best the Nordics has to offer! The Top 40 come for free. Qualified Investors come for free. And we bring you together during the largest Nordic conference for the life science community. Welcome!

### Criteria for Company Acceptance

- You must apply at [www.nlsdays.com/nlsinvest-application-form/](http://www.nlsdays.com/nlsinvest-application-form/) before 15 March 2022!
- You must be a start-up within health, medical, or life science industries.
- You cannot be a publicly listed company.
- You must be seeking Pre-Series A funding.
- You must have already received some degree of soft funding.
- A minimum of 3 on all TRL scoring.

### Criteria for Investor Acceptance

- You must register at [www.nlsdays.com](http://www.nlsdays.com) before 15 March 2022!
- You must be defined as an institutional, private equity, venture investors, business angels, family offices, philanthropists or foundations whose primary activity is direct investment into life science and R&D companies.
- You do not qualify if you are a broker-dealer, service provider, advisor, consultant, any fee-to-company representative.
- External innovation, early-stage partnering and in-licensing from major pharma / tech companies must pay for their registrations.

For more details on the event and information on how to apply, please visit [www.nlsdays.com](http://www.nlsdays.com) or contact Chelsea Ranger at [chelsea.ranger@swedenbio.se](mailto:chelsea.ranger@swedenbio.se)
