## NLSInvest – the investment track of NLSDays – bridges the gap between investors and 40 top startups at the largest partnering event for Nordic life sciences

### Startup offer and application

40 top Nordic health and life science startups will be selected to join NLSInvest to pitch investors, hold one-on-one partnering meetings, and compete for the NLSDays Awards Grand Prize. If chosen from amongst the many applicants, your startup will access all this free-of-charge. To qualify:

- Apply at [www.nlsdays.com/nlsinvest-application-form/](http://www.nlsdays.com/nlsinvest-application-form/) before August 31, 2022.
- You must be a startup within health, medicine, or life science.
- You cannot be a publicly listed company.
- You must be seeking pre-Series A funding.
- You must already have received some degree of soft funding.
- A minimum of 3 on all TRL scoring.

### Investor offer and registration

We bring you great investment opportunities in our committee-selected 40 top Nordic health and life science startups. Qualified investors participate free-of-charge with full access to startup pitches, one-to-one partnering, and a curated, private, investors-only reception. To qualify:

- Register at [www.nlsdays.com](http://www.nlsdays.com).
- You must be defined as an institution, private equity, venture investor, business angel, family office, philanthropist or foundation whose primary activity is direct investment into life science and R&D companies.
- Those who do not qualify are broker-dealers, service providers, advisors, consultants, and fee-to-company representatives.
- External innovation, early-stage partnering and in-licensing from major pharma or tech companies must pay for their registrations.

For more details on the event and information on how to apply, please visit [www.nlsdays.com](http://www.nlsdays.com) or contact Chelsea Ranger at [chelsea.ranger@swedenbio.se](mailto:chelsea.ranger@swedenbio.se)
